

CONGRATULATIONS TO DAVIESS COUNTY HIGH SCHOOL

• Mr. BUNNING. Mr. President, I stand today among my distinguished colleagues to congratulate the students, administration, and faculty of Daviess County High School for winning a Preparing America's Future Award from the U.S. Department of Education.

This recent accolade is just one in the line of many bestowed upon the diligent students and devout faculty of Daviess County High School. In 2001, the U.S. Department of Education selected Daviess County High School as a 1999–2000 National Blue Ribbon School shortly after the Commonwealth awarded them with a Kentucky Blue Ribbon award.

The prestigious Preparing America's Future prize is presented to six high schools throughout the entire nation that have taken significant strides in improving their academic standards for all students. Daviess County High School was among this elite group based specifically upon their reputation for excellence and a rigorous evaluation of their progress in 12 key school improvement strategies. The review showed above all else that the school is accurately meeting the needs and expectations of today's students. I would like to offer a special thanks to Principal Brad Stanley for his inspiring leadership and robust commitment to the education of our nation's and the Commonwealth's future. With this competent captain at the helm, Daviess County High School will surely experience smooth sailing ahead.

I hope Daviess County High is as proud of this accomplishment as I am. This award highly reflects upon not only the students and faculty but also the overall community and its dedication to its children. I thank you all for working towards a better educated Kentucky.●

TRIBUTE TO WILLIAM GRAHAM

• Mr. JEFFORDS. Mr. President, today I rise to recognize the outstanding public service contributions of Windham County Sheriff William Graham, who retired on Friday, February 1, 2002. For 33 years, Graham, who is now 70 years old, has run his department efficiently and with fiscal accountability to the taxpayers.

Since the attacks in New York City and at the Pentagon last September, many Americans have realized how important honest and hard-working law enforcement personnel are to our Nation and our communities. People from around the U.S. watched the police forces in New York and Virginia exhibit an integrity that all Americans appreciated. But I suspect that for the Vermonters of Windham County, in southern Vermont, they have always known this lesson: a trustworthy and reliable police department is indispensable to a community's health.

In 1969, William began his work as sheriff in a department in which he was

the only full-time employee. Since then, the department has grown to 20 full-time and an equal number of part-time employees. In Vermont, sheriffs' departments are responsible for transporting prisoners to and from criminal courts and with the paperwork from civil cases. But it hasn't been the duties that have given this sheriff's department distinction. Instead, Sheriff Graham's lengthy time in office has given his constituents the reliable and competent public service they deserve.

Even before being selected sheriff, William worked as a state police trooper and a parole officer. All-in-all, his work in law enforcement has spanned 48 years. I wish Sheriff Graham all the success in his retirement that he enjoyed during his long career. And especially so during hunting season.●
